

1/27 Board Meeting

Tuesday, 27 January 2009

Meeting Minutes IIE Board Member Meeting January 27, 2009, EB 211 at 4:00 pm This was the first meeting of the Spring 2009 semester. There were two new possible candidates who were interested in becoming board members. We discussed best ways to attract more people. Suggestions were made to use facebook so that our exposure to the interested public is maximized. Another possibility is that there would be board members meeting twice a week so that every member would be able to attend at their own convenience. We briefly talked about possible activities; so far we came up with community service and possible plant tours. Next Board Member Meeting: The next board member meeting will be Thursday February 5th, at 5:00pm in EB211. The main purpose of the meeting will be to nominate candidates for board member positions.
